Aim: To ensure that all athletes/coaches involved with G.D.S. participate within an agreed philosophy and set of standards.

Principle Statement of Ethics

Sporting integrity is based on the acceptance of rules, fairness, equality, respect for others, moral conduct and a sense of what is right. The goal of G.D.S. is to create a sporting environment where violence, breaking the rules, the abuse of drugs, the lack of fair play and other unethical behaviour are automatically rejected as being irrelevant to the true purpose of sport.

I the athlete/coach agree to the following:

1. to abide by the principle statement on Ethics above
2. practice and play within the spirit of the game
3. help each other to learn new skills
4. compete as a team
5. respect others – coach, officials, other players, team managers, parents who help organise/play the sport
6. do not direct verbal, physical, emotional abuse towards opponents/coaches/umpires/event organisers & other team members
7. treat all others as you would like to be treated, with integrity and respect
8. arrive before the start of each session to ensure adequate preparation and to be punctual on all occasions, where possible provide information in advance if you are ill or unable to attend any session.
9. set a good example at all times in aspects of dress, language, behaviour, and respect of equipment and others.
